

## Emergency contact list

Everyone knows to call 911 if a disaster occurs, but sometimes we need to call additional emergency numbers in the event of an emergency.

| <b>Star Building Materials</b><br><b>292109 Prime Close, Rockyview County, Alberta</b>                                                                                                            |  | <b>Main Office: 403-720-0010</b> |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|----------------------------------|
